Dear Lacrosse Enthusiast:

The New Jersey South Lacrosse Chapter is once again united with the New Jersey North Lacrosse Chapter in supporting this year's Jamboree and Garden State Challenge Games on Sunday, June 6, 2010 at Madison High School. Both of these season-ending, all-star events allow us the opportunity to showcase and reward our state's very finest players, both boys and girls, at the Youth and Interscholastic levels.

In an effort to help offset the costs and to continue the rich tradition of both events, we are developing two printed game day programs for each, where your team, club or business has a wonderful opportunity to show your support by sponsoring an advertisement page.

There are three levels of sponsorship:

1. **Purchasing a full-page ad at \$ 250.00.**
2. **Purchasing a half-page ad at \$150.00.**
3. **Becoming a Booster at \$75.00. (No art work)**

Additionally, your sponsorship will allow our chapter to serve our lacrosse community in the following ways: Lacrosse Hall of Fame Banquet, U-13 & U-15 Boys & Girls teams, Trenton Bridge Program, New Start Packages, Camp Scholarships to deserving youth and the upkeep and maintenance of our website.

Our Chapter's goal is 100% participation across the board. Please make sure to get in touch with your booster club chairperson so your town/high school team is mentioned in both programs.

Thank you in advance for your kind consideration of supporting both of these events, and please feel free to email me with any questions you may have.

Sincerely,

Bob Sheridan
